Sunday 14th September: All Age Communion & Worship Consultation Service

Our Morning Service on 14th September will include the opportunity for us all to share ideas about our worship at St James. Our regular Worship Consultation meetings on weeknights have been poorly attended for a number of years. We want everyone to have their say and to be involved in developing our Worship. During the All Age Communion Service on 14th September there will be the opportunity to reflect on the meaning of worship and how we can grow together as we praise God and share fellowship each week and on special occasions.

Benevolent Fund

The Benevolent Fund collection at the communion service on **14 September** will be for Claire House in West Derby.

Claire House's vision is that every baby, child and young adult who is seriously or terminally ill, receives the very best care and support, together with their family, wherever and whenever they need it.

Claire House Children's Hospice helps seriously and terminally ill children live life to the full by creating wonderful experiences and bringing back a sense of normality to family life.

By providing specialist nursing and end of life care, as well as emotional support, Claire House helps families through some of the toughest times of their lives.

Claire House plays a very important part in the life Stuart and Jane Williams and their family due to their granddaughter Delilah being born with only half a heart. They have been amazing looking after Delilah and her family.

Church Defibrillator

As you know Roy and Lynne have been working with our local councillor Malcom Kelly to secure funding to purchase and install the external defibrillator cabinet and the external stab kit cabinet, both of which are now in place and we are grateful for the time and effort this took to make things happen!

The current defibrillator was obtained from the Oliver King Foundation about 10 - 12 years ago and requires new pads and batteries every 2 years to ensure the machine is viable; our current machine requires adult and child pads and they are out of date and need to be replaced, together with the battery. Roy contacted Oliver King and the cost was £312 which would last 2 years. However, Roy was also informed that our machine is now obsolete and in 2 years pads and battery will not be available and we will have to buy a new machine. Roy asked the cost of a new machine and was told £1,000+ and subsequently rang me to let me know the situation.

I suggested contacting London Hearts, a charity organisation and suggested Roy look at those prices. London Hearts support new purchases with a charity grant towards the total cost and the cost of a new one from them was £660, but the grant funding is on a first come first served basis until the next grant phase is available. The new one only requires one set of pads which last 3 / 4 years and will be cheaper to replace and the battery lasts 5 years. Roy, Lynne and I chatted over the options at length and financially it did not seem the best option to pay £312 now and have to pay £1000 + in 2 years time and a new London Hearts defib seemed the sensible option. However, I explained to them that our finances are stretched at the moment and we would not be able to purchase a replacement immediately. I felt that we should ask the youth organisations if they could make a donation or arrange a fundraising event in their activities towards the cost of a new one and I also thought we could ask if anyone from the congregation wished to make a specific donation towards this, or organise a fund raising event, but obviously this will take time. Roy and Lynne, in order to help, then offered to purchase it now on behalf of the church and receive payment back once we had raised the money back. I felt this was a very generous offer on their behalf and thanked them both very much. Roy has also contacted our councillor Malcolm again and explained the situation. Malcolm asked Roy to send him an email requesting financial support so we will wait and see if that is successful too.

If you feel you would like to make a donation towards the new church defibrillator, please speak to me, to Andrew McLaren our church treasurer or to any of the stewards. Many thanks for your continuing support for our church

Pam Bellis, Chair of Finance and Property

Saturday 11th October

We will be holding an extended coffee morning on this day, in the church hall, to celebrate the Harvest season. 10.00.am until 1.00. p.m. Coffee, toasted tea cakes, cake, homemade soup and filled rolls and more! Watch this space.

Church Flowers

If you would like to donate money for flowers on a particular Sunday - perhaps in memory of a loved one or in celebration of a happy event - please speak to Jonquil Dickson who can add you to the calendar for the months ahead. Also, if you would simply like to donate for flowers so that we can make sure all Sundays are covered, please speak to Jonquil. At present, we have many dates available. We have a box at the back of church for any donations or small change. All donations are gratefully received.

Praying for the Growth of our Church

*God of mission, who alone brings growth to your church,
send your Holy Spirit to give vision to our planning,
wisdom to our actions, joy to our worship, and power to our witness.
Help our church to grow in numbers,
in spiritual commitment to you, and in service to our local community,
through Jesus Christ our Lord.*

AMEN

Prayers

Please keep in our prayers this week all those who are in poor health, either in hospital or at home, and their family and friends and those caring for others.

We also pray for everyone in our Church family who are unable to attend church.

Please pray for those known to us who are in need of our prayers this week.
